We now have rooms reserved for professional development workshops for the dates and times below. Susanna still needs help planning these events that need to be advertised and offered to all college of education students.

We need to quickly get flyers printed and posted around Gillham Hall and sent out to instructors of all professional education students. We need to do this next week or we will not have any attendees for the first workshop!

Members, please help us spread the word. Print and share this flyer or the one you received in email with friends and classmates in your education classes!

KDP Fundraisers a Huge Success!

So far, our ETPT 2020 classes have raised around \$220 in only 2 weeks. We have a professor in the College of Nursing raising money in her classes until the

end of October. And, today I met with Christine Smallman, one of our officers and she is going to ask university orientation instructors to raise money in their

classes...appx. 4000 students! She will also contact engineering orientation classes about raising money in those classes for this worthy cause.

Look for upcoming story to mention KDP and Make a Wish Collaboration in the UT News!

Fundraisers Continued...

Thanks a million Christine for offering your services to Kappa Delta Pi when you have so much going on in your own life! With your university-wide connections, we will be able to donate a significant amount to Jenna, the 17 year old young lady with leukemia and the Make a Wish Foundation.

The Make a Wish fundraiser is a collaboration that began with Dr. Lambert's classes, Kappa Delta Pi and Kyle O'Neill's fifth grade class at Graytown Elementary in Ottawa County. Kyle's school, along with Genoa where Jenna is from, has raised over \$1000. Now the collaboration is growing by leaps and bounds across the campus so we expect great things...Let's spread

the word and see how much the University of Toledo can do to raise funds for this worthy cause!

For your information, it takes appx. \$5000 for Make a Wish to grant one wish to an individual so everyone's effort is greatly appreciated and will make a difference! Mr. O'Neill's school will give the check to Make a Wish at an assembly at his school on our induction day. I will attend and would love for one of our KDP officers to go.

If you have not yet given, you can put your cash or check in an envelope and slip it under Judy Lambert's door at GH 2000G.

Please put **KDP Make a Wish** on the envelope. **Every penny helps!**

T-Shirt Fundraiser

We have some KDP t-shirts left and we can use a few of them as door prizes at Induction but we still need to sell more. You can stop by the C&I secretary in GH on the second floor to purchase one for \$12.

Spread the word!

November Induction Fast Approaching!

Chad DeAngelo, President and Sara Scuralli, VP are busy planning induction. We have a room reserved but no speaker yet. We are still waiting on door prizes and each Officer agreed to find three. We still are

waiting on induction fees to start coming in and there will probably be a rush the last week of Oct. All Executive Officers must attend Induction! Last year, we inducted almost 40 people and had over 100 attendees at the

Induction. This is a very nice event with a delicious dinner and speaker.

We really need an Induction committee to oversee decorations, getting apps completed at door, etc. PLEASE volunteer.
